

Feel Better, Faster

Ask about our online mental wellbeing programmes

From finances to family, isolation to injury, there are lots of things that can affect your mental wellbeing.

If you're feeling stressed, worried or overwhelmed, don't suffer in silence. SilverCloud[®] by Amwell[®]'s online mental wellbeing programmes can help you to understand how you're feeling, and why, and support you to take back control and cope better.

Easy to use

After you've been referred, you can access the SilverCloud[®] platform online or on your phone, when and where you need to.

Proven to work

Already used by over 1 million people. Most feel better within 3 months.

Right for you

Programmes are private, judgement-free and tailored to your needs.
