

Space From Anxiety

Online tools to help manage your anxiety

Everyone experiences anxiety, it can play a healthy role in alerting us to problems or challenges.

Our online programme for anxiety in young people provides early access to support, when it's needed.

Space from Anxiety helps you to understand your anxiety and how to manage it. It's easy to use, with tools and activities help you put what you have learnt into practice.

Content is based on **Cognitive Behavioural Therapy (CBT)** an effective way to manage anxiety.

“ In regards to the programme I've learned everything I needed to know in terms of my mental health. I'm now having a fresh start and feel better about everything. I wanted to say thank you for all of your help, I truly appreciate it. ”

SilverCloud Young Person User
